With 2020 in sight …

The Grouard-McLennan Archdiocesan Pastoral Council (APC) is made up of representatives (and alternative representatives) of the many diocesan committees and other Catholic organizations found in the Archdiocese. This includes (but is not limited to) deaneries, Catholic Schools Boards, Cursillo, CWL, Knights of Columbus, archdiocesan committees (such as youth, faith formation, vocations, etc.).

At the APC Meeting of Saturday 21 September 2019, I shared some of my own reflections on what I see as pastoral needs of our archdiocese, called *A Process to lead us to a Pastoral Plan 2020-2025.* This can be found on the archdiocesan website at https://archgm.ca/

As we begin the process of drawing up the Pastoral Plan 2020-2025, I ask the members of the APC, along with their alternative member (if you have one), to have a discussion with the group that you represent on the APC. You should use the framework on the next page to guide your discussion and for recording your conclusions.

Please bring the completed discussion sheet to the next APC Meeting on Saturday 23 November, and be prepared to discuss your meeting. If you or your alternative cannot attend the APC meeting on 23 November, please send this sheet to Lauri Friesen at exec.agm@live.ca before Tuesday 19 November 2019.

Name of Group/Committee:_____

Form Filled out by:_____

With 2020 in sight ...

At the next meeting of your constituency (e.g. deanery, CWL, Cursillo, School Board, etc.), generate a discussion on:

What spiritual needs do you see in your constituency that should be addressed in some way there or in the Archdiocese in the next five years -- that is, 2020 to 2025?

   1.

   2.

   3.

   4.

How do these spiritual needs relate to other constituencies in the Archdiocese, or to the Archdiocese as a whole?

If you are on your Parish Pastoral Council, try to generate a discussion of the above two questions there as well.

Come to the next meeting of the APC (Nov. 23, 2019) with a report on the conclusions of this discussion.
