**Fundamental Question**

A synodal Church, in announcing the Gospel, "journeys together":  
How is this "journeying together" happening today in your particular Church?  
What steps does the Spirit invite us to take in order to grow in our "journeying together"?

We believe that our listening gatherings, where we will share our experiences of “journeying together”, speaking and listening courageously to one another, will help the Church to live communion, achieve participation, and open itself to mission.
